T.M.O.S.T. (Tractor Mower Operator Safety Training) 8 Hour Safety Training Course

- Includes both classroom & hands-on training with your actual equipment
- Led by an instructor with 28+ years of safety training experience, who is an OSHA Authorized, National Association of Safety Professionals (NASP) certified Safety Training / Planning Specialist and Equipment Authorized Trainer with an unusual methodology of making safety training fun and interesting
- Based upon the strict guidelines of the American Equipment Manufacturers Assn. (AEM)
- Covers ANY and ALL industrial mower and agricultural tractor manufacturers including but not limited to: Terrain King, Alamo Industrial, Tiger, M&W, Rhino, Bush Hog, John Deere, New Holland, Woods, Land Pride And Many Others
- Conducted at your location directly with your employees OR with your safety trainer(s)

What are the benefits to me and my organization?

- Pre and post-course testing for all participants
- Effective training can significantly decrease mower-related incidents
- Potentially affects your bottom line
- Supports your commitment to providing a safe, hazard free work environment for your employees

Additional Courses Offered:

- TMOST 2.5 Hour Safety Training
- Workplace Safety & Personal Responsibility
- Operator & Technician Service Tips
